Establishing Peace is the work of education; all politics can do is keep us out of war.

Maria Montessori

From the desk of the Principal:

As we prepare to celebrate Thanksgiving, the teachers, Sonia, and I want to take time to let you know just how thankful we are for the gifts of you and your child(ren). We thank you for all you do to care for the children and our school.

Work on the playground is beginning. The first order of business is the track for PE and Morning Mile. Edging will be installed and mulch added. This will begin with the area around the swings and then move around the playground. Thank you for making it happen.

A sign will be placed at the entrance by the PTO. The sign will remind us RIGHT TURN ONLY during drop-off and pick-up times. This is a matter of safety for cars turning into the driveway, those in the car loop, and those attempting to make a left hand turn out of the driveway.

The 2012 School Public Accountability Report (SPAR) is posted on our Home Page. www.educationalhorizons.net. This report contains data related to achievement of students. As you will notice in our school report, some sections show "N". This indicates we did not have enough students tested to report a valid school score.

Timeline will be Nov. 9. Thanks to the PTO for working to procure a wonderful location. Teachers will send directions for students. Look for the notice.

Family Science Night has become a tradition. It is an opportunity to share discovery of the wonders of science with your child. More information will be sent home as the date approaches. We will hold the PTO meeting in the All Purpose Room that night.

For concerns about school operations contact Cindy Thomas, Head of Schools, at 779-0031.

Nov. 28—Early Release Day 2:00 Please be on time to pick up your child. Teachers will be in meetings. Students not picked up will be taken to Country Day for the After Care Program.
