Thank you parents for returning your survey. The grade with the most complete response was room 8, they received a dress down pass and cool frozen treat. Students will have the opportunity to share their opinions in the first week in May.

Grades 1 and 2 are off to the Zoo to learn about animals on May 16th.

Grade 3 will visit Port Canaveral to learn about our waterways on May 8th

What a Wonderful Year!

Dear Families,

As we come to the end of our school year, I look back to the first day when we greeted returning students and welcomed new faces. As a school family, we have worked together tirelessly for our students. The energy and enthusiasm beginning with our parents and grandparents, to our PTO board, our teachers and staff, and finally, to our students shows in all we do. I am pleased to see this commitment carry through to the last day of school as we continue to have activities, learning, lessons, and events. Thank you for an awesome year and I look forward to working through the summer to be ready for your return.

Sincerely,
Ms. Turner
Principal

A note from Mrs. Sarah Patterson

“I have enjoyed working at Country Day for Children Montessori School for 19 years. I am retiring as the Montessori Directress in the pre-school and VPK program. I am looking forward

to spending time with my grandchildren and traveling with my family. I appreciate the support from the many families I have worked with throughout the years.”

Summer Hours

Our school office will be open daily through out the summer. We will close on Memorial Day and Independence Day. Country Day will be closed for the summer. Please call 321-729-0786 for any needs for either school.

Keep in touch with us over the summer. Like our Facebook page and check out our webpage

Yearbooks will be delivered in May. We only have a few left for purchase @ \$20.00. Stop by the office to hold one.

Health and Wellness Day

Friday, May 19th (9:00—2:30) is our day dedicated to making good choices in the summer. This fun-filled day will need many volunteers. If you know anyone in the community who will give of their time with our students, contact the PTO or office. Some ideas include: Martial Arts instructors, Yoga instructors, Sun-care professionals, nutritionist, bike safety leaders, fitness instructors, water safety experts.... Each leader will present to small groups of students as they rotate through the events. Do you know an organization that will donate bags, or items to fill them? Let's make this a great day for our students. Please have them dress for movement, wear sunscreen, hats, sunglasses, and bring a water bottle with them.

Teacher appreciation week is here! Show your faculty how much they are appreciated in a note of kindness, a letter, or card. Grades 5 and 6 will host the final teacher luncheon of the year. Thank you in advance for making this special. We are so blessed to have such talented, caring, and wonderful teachers and staff at our school.

End of the Year Program /6th Grade Graduation

Get ready for the finale! Meet us at Discover Life Church on May 22nd as we say "Good-bye" and wish our graduates well. Each class will perform a piece from a different era. Bring your families and cameras for our final event of the year.

The KONA shaved ice truck will be here to celebrate our end of state testing. All students and families of EHCS and CDAY are invited to share in the fun. PTO and your generous donations to the jog-a-thon will cover the cost of the event. Join us on Friday, May 12th from 3:30 to 4:30 for fun. Bring your beach towel to sit on, wear you sunglasses, and be ready to dance and have fun.
