Dear Families,

As May comes to our school, we reflect on all the changes and growth we have made individually and as a school. Thank you for embracing the new security measures that are in place for your children. We have all had to adapt our habits and ways to make sure we are doing what is best for our precious children.

Our volunteers and PTO have done a fantastic job supporting our school. We welcomed new families who now feel like old friends. The students are taller and showing signs they are ready to move to the next grade. Please return your registration packets before you leave for the summer. This will help us plan for the new year.

As we graduate our sixth grade class, we know they are prepared for success in the future. Join us on May 28th at 6:30 for our End of the Year program and 6th grade graduation. Each class will perform that evening. This year, our Preschoolers and VPK students from Country Day for Children will join us in the celebration. They will receive their certificates of completion at this time. The venue will be First United Methodist Church at 110 E New Haven Avenue in Melbourne. Bring your camera and arrive at 6:15 for an evening of song and memories.

It is hard to believe that we only have one more month of school. I wish you a wonderful summer and will be here to receive you back in August.

Sincerely,

Ms. Cheryl Turner
Principal

A Message from our Fine Arts Teacher....

I want to personally thank all of the staff, students, and parents who made me feel very welcomed here at Educational Horizons. It has been a wonderful year teaching art to all of the great future artists. I am so proud of the entries we had in the Brevard County Art and Science show. Two of our talented students placed second in the art portion of that show. Several parents have volunteered their valuable time to assist with the art program and I am very appreciative of all of their help. We also had a donation of hand-made art aprons from a parent. These were especially needed and also greatly appreciated! Educational Horizons is fortunate to have such great parental support. For next year, it would be great if anyone had extra (only if you are cleaning out the closets) card stock, drawing paper, craft sticks, or craft paint, (even a few pieces) to donate to the art department. I have greatly enjoyed teaching art this school year! Ms. Latisha Hays

Health and Wellness Day – Friday, May 24th

From 9:00 to 1:30 our entire school will be working together to enjoy outdoor activities and events focused on being safe and healthy all summer. Do you know anyone in the community to help share their expertise? We are looking for a few adults to join our PTO and lead the students in events such as Martial Arts, Yoga, Bicycle Safety, Sun Safety, Nutrition, or anything to help promote a safe and healthy summer. We are also looking for a few donations to keep students active over the summer months. Contact our PTO if you are able to volunteer that day. We will find an activity that fits your talent. For this day to run smoothly, we will need many volunteers! Set-up will begin at 8:00. Thank you in advance for helping us to plan this fun filled day! Parking will be tight so consider meeting and carpooling. Please apply sunscreen ahead of time to your child(ren). Send them in with their filled water bottle, towel to work out on, hat and sunglasses (optional). Dress for movement and outdoor activities. Contact Danielle Shiflett at (863) 738-0415 or tenbean@hotmail.com to share your ideas or volunteer.

No School on Monday, May 27th in observance of Memorial Day
