

Educational Horizons February Newsletter

Educating our future...One child at a time

www.educationalhorizons.net

From the Desk of the Principal

We have a lot of good news this month. We welcome Mary Shore, our new administrative assistant. Be sure to stop in the office and introduce yourself. We held our School Spelling Bee. The winner is Jimmy. He will be representing our school at the District on Feb. 21. The runner up, Jamarr is in the wings just in case we need him. Our school Science Fair was held on Jan. 25. We had judges from Florida Tech and a former student judged the projects. We appreciate the time the judges gave to our students. The winners are:

	<u>Physical</u>	<u>Biological</u>	<u>Environmental</u>
Grade 3			
First	Lee	Shauna	Alex
Second	Jessica Heidi	Jonas	Vincent
Third	Joey	_____	William
Grade 4			
First	Aaron	_____	_____
Second	Kristian	_____	Haley
Third	Khloe	_____	_____
Grade 5			
First	_____	_____	Jimmy
Second	Keeley	_____	_____
Third	_____	_____	Edina
Grade 6			
First	Adam	_____	Annalee
Second	_____	_____	_____
Third	_____	_____	_____

Thank you for making the Science Fair a success.

FCAT Writing Assessment for Fourth Grade is Feb. 26. Come rested and well fed.

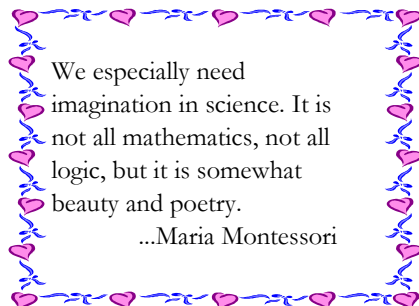

- Feb. 1 Jaxum
- Feb. 8 Chiara
- Feb. 9 Gavin
- Feb. 11 Lee
- Feb. 12 Sarah
- Feb. 21 Karlee
- Feb. 24 Kristian

Car Loop

Thank you for following car loop procedures to ensure safety of our students.

If your students is participating in morning mile drop the student and his/her backpack in front of the classroom. The students use the safety walk to go to the playground. If you are volunteering or watching the students please park in the visitors parking at the front of the school. Parking in the car loop or in Country Day's area is not permitted for safety reasons. You also have an email from Mrs. Dick concerning using Ice Cream Depot as a turn around. Thank you for following the request. The owners are good business partners for the school.

We especially need imagination in science. It is not all mathematics, not all logic, but it is somewhat beauty and poetry.

...Maria Montessori

For concerns about school operations please contact Cindy Thomas, Head of Schools at 779-0031
