

## PTO Meeting

---

### Science Night

#### **Science Night-Mrs. Turner**

- Science and Engineering Fair Presentation (information can be found at Brevard Schools website under Science tab Grades 4-6 only)
- Now can create a project (engineering mechanics and design), coding/computers, and regular science fair trial/error components.
- Looking for Parents who have a science or engineering background who would like to help judge the science fair.
- January final projects due, February school science fair judging, March will be District Fair.

#### **President- Tanya Folson**

- Cookies and Cocoa sign up genius will be going out.
- Spanish Club sign up genius will be going out.
- Donations for Fleece

#### **Vice President Report- Danielle Shiflett**

- Box tops profit from January \$466.40
- You can now scan receipts to earn money for our school by downloading an app for Box Tops. Can put receipts in PTO mailbox if you don't have the app or smartphone.
- Sign up genius for Morning Mile, still need more volunteers Monday, Wednesday, and Friday 8:00-8:30. Hoping to open more days if we can get more volunteers
- We received the Publix Grant for the 6th grade trip to the KSC. PTO contributed as well making the trip FREE for all 6th graders.
- Art to Remember profit of \$333.05

Tuesday, November 19, 2019
