Dear Families,

In this month of Thanksgiving, we are reminded of our blessing as a school family. One which supports home and school life for the good of our students. It is never more evident than in our current learning environment with half of the students on campus and half at home. Our school is studying and using *Conscious Discipline* by Dr. Becky Bailey. We shared a short presentation about the basics of the program at our October PTO Meeting. I will include it with the email for you to follow. There is a great connection between home and family. With our motto of grace and courtesy, we focus on respect. At lunch, we unpack on our placemat, wait for everyone to be served before we eat, and we clean up our area at the end of the meal. At home you can do the same, use a placemat, plan a meal, and eat together. Thanksgiving is a big event that gives us a chance to practice these lifelong skills. Allow children to help prepare, serve, and even clean up afterwards. You can do this even if the gatherings will be smaller and more intimate this year. Building memories and reinforcing traditions is a great way to respect your heritage and family routines.

Wishing you a month of Thanksgiving and blessings.

Mrs. Turner
Principal

In observance of Veteran's Day, our school and office will be closed on Wednesday, November 11th

Election Day is November 3rd. Please exercise your right to VOTE. Many of the classrooms are teaching the procedures for the presidential election. Students are learning that it is privilege and a responsibility to VOTE.

Turn your clocks back one hour this Saturday, Oct 31st.

It is also the evening of Halloween. Please be safe, social distance, and keep our school healthy by limiting contact with others. We all need to do our part.

Our yearbook is under way. You can participate in the presale for \$15.00 until March 12th. After that, the price will go up to \$20.00. You may send in your order through the office or order online. There is an attached flier with directions to the online ordering and even how to sponsor a page. This is a great way for sixth grade graduates to be honored. Spaces fill-up fast, please reserve your now. You can also contribute candid shots of eLearning or school events to our site to be considered for the yearbook. Simply go to commpe.pictavo.com to set up your account. Our school project number is 94039. We will include our preschoolers and VPK students attending Country Day in our yearbook. If you have not had your picture taken from Dean Stewart please schedule it soon to be included in the class pages. Let's make memories for everyone and join together as one school in the yearbook!

Report cards are issued November 6th. Please contact the office to schedule a parent teacher conference to discuss any matters and your child's progress.

Thank you teachers, families, students and staff for having that conversation about making good choices. With the anxiety and stress of the worlds' pandemic, we need to be aware of our actions and our word choices. Children will model what they see and hear throughout the day. Be the example that will lead to well thought out choices and actions. We appreciate all you do for our children.

School and office will be closed for Thanksgiving break Wednesday, Nov 25- Friday Nov 27, 2020. Enjoy the time with your family.
