Dear Families,

Welcome to SPRING! The weather is getting warmer and we are all excited to be outside a little more. Don't forget to send in your child with a water bottle. In the office, Eileen is planning for next year with registration and schedules. In the classrooms, teachers are finishing up curriculum and preparing students to move up a grade. All around school there are signs of spring with butterflies, little animals, and chirping birds. This is a great time to learn about the gift that Florida has to offer. We will begin the month with a day off on Friday, April 2nd. Take some time to walk outside with your family and enjoy nature. Maria Montessori said, "When children come in contact with nature, they reveal their strength."

Sincerely,

Cheryl Turner (Principal and Administrator)

Beginning next week our students in grades 3-6 will take their state assessments. The goal is measure student growth and guide instruction. With the Pandemic, last year the test was suspended. Please have your student wear uniforms, be rested, have a good breakfast, and ready to attend to the task. Both campus and eLearners will test in the mornings on campus during regular school hours.

Grade 3 will take reading and math

Grade 4 and 6 will take reading, math, and writing

Grade 5 will take reading, math, writing, and science

The entire school is asked to be respectful during these times. We want each and every student to do his/her best. Our school says FSA stands for Florida Students are Awesome! Let's show them our talent and what we have learned this year. The calendar is attached for your scheduling. Thank you in advance for supporting our students.

Join us for our next meeting on April 13th at 6:00. It will be a virtual meeting.

Thank you families, friends, and staff for supporting our February Fitness challenge and fundraiser. This is our only event to raise money. You may still donate to PTO for our playground fund. Collectively our Staff worked out for 4,900 minutes and Students completed 5,785 minutes. Way to GO!

Awards will go to the following:

Top three students in each grade were put into a mix and will be our ambassadors for the grade:

Kindergarten – Zuhai

Grade 1 - Maya

Grade 2 – Avery

Grade 3 – Andrea

Grade 4 – Demir

Grade 5 - Scott

Grade 6 – Ava

Top donation collector – Jackson Applewhite and family \$530.00

Top class to earn money – Room 8 Grades 1 & 2

Our new outdoor structure is ready for use and will provide shade and a level place to play and work.

Thank you everyone on behalf of the PTO!

Our School Yearbook is at the publisher and will be ready for delivery in May. With a slow pre-sale, we scaled back on the order. If you would like one, you can go online to order (Commpe.pictavo.com School# 94039) or send in \$20.00 to the office - while supplies last.

School and Offices will be closed on Friday, April 2nd and Monday April 26th

Planning ahead for our Graduates! This year is a year like no other! In the past, the end of the year held a gathering of the whole school and well wishes to our VPK along with our 8th grade graduates. As the guidelines have loosened a little, but we also still have families' eLearning, we need to respect ALL levels of comfort. After discussions at PTO, with teachers and staff, and the board, we decided to let the end of the year program stay dormant this year. We will host a small ZOOM graduation for the 7 campus and 3 eLearning students of grade 6. More information will be shared with the class as they prepare to say "good-bye". The virtual event will be June 1st at 6:00 via ZOOM and open to immediate family and staff. Our VPK students will have a small event during school.
