Dear Families,

We are heading into the final month of the calendar year! Although it has looked different from previous years, there is a feeling of excitement in the school. Everyone enjoyed the break at Thanksgiving and the two bonus days off. December will be a short month filled with big hearts. A few years ago, our school family member shared this article about how to survive the holidays and the stress and anxiety. Our families are under much pressure during this time. Take a moment and review the article and pullout one or two ideas that you can incorporate or use in your daily family life. I wish you a joyous holiday month as you navigate through all the expectations of December. It is my hope that you will find a way to simplify and have time to relax with family and friends over the break. This is a magical time of the year with the right mindset!

Sincerely,
Cheryl Turner
Principal/Administrator

Students in grades 4-6 will compete in a school Science and Engineering Fair on Thursday, January 13th. The categories include Science, Engineering, and Computer and Math. All elements of the scientific inquiry are used. If you feel you have the knowledge and time to help us judge, please contact Cheryl Turner in the office. Winners of regional bids will move to the Brevard Science Fair in March. Students have been working on these projects with their families and teachers.

Reminder! You can check our dress code requirements in the handbook. As the weather gets colder, please add layers to keep your child warm. Sweaters and light coats worn IN the classroom all day should be navy or light blue to match the shirt. Bottoms should be khaki or dark blue including leggings. Keep socks to a basic color in the uniform. Please save the FUN print prints for dress down days. Any color jacket can be worn to school and when outside. Thank you for supporting school spirit

For concerns about school operations contact Dr. Erik Thorson, Parent Liaison @321-779-0031

Our schools will be closed December 22nd through January 5th. Our final day for the calendar year will be Tuesday, December 21st. School office will be open at times, please call ahead if you need our attention. We will be getting ready for the teachers to return on Wednesday, January 5th and students on Thursday, January 6th. Enjoy the time with your family and stay well.

Our next PTO meeting will be Dec 14th at 6:00 pm. Please join us via ZOOM to be involved. See our meeting notes from Novembers meeting in your email.

Teacher luncheon on January 5th

Parents of Room 7, grades 1 & 2 are invited to help host a lunch for our teachers. The sign up genius is ready for your attention. You may drop things off early so teachers do not have to schedule lunch, they can come by and eat when they want as they work in their rooms. Our menu is a chili and toppings with salads. Of course desserts are always fun! We can also have a couple of breakfast treats as well! Thank you in advance for helping out!! These can be volunteer hours for time spent!! Take a look here!

Registration for the new school year 22-23

To help us plan for next year, families will receive their re-enrollment forms December 17th. These need to be filled out and returned by February 11th to keep your spot for next year. We will begin taking application from new families in January. Thank you in advance for returning this intent. You will receive the FULL registration packet in the Spring with more information. If you are not planning on returning, please let the office know.

Let's have a little FUN! On Monday, December 20th and December 21st students and staff may dress down. If you would like to join our themed days, we are going to "wrap it up" on Monday wearing red and green. On Tuesday "dress like a helper". Either way, dress down! These are NOT early release days.
