Dear Families,

Hello Spring and welcome nice weather! The students are enjoying being outside and watching our caterpillars move towards being butterflies. It is time to remember to send in water bottles for them as the weather gets warmer.

Our yearly Parent Survey request is released (<https://www.surveymonkey.com/r/LTV5ZDR>). Families of both schools are encouraged to take a few minutes and complete the online survey. Students will have an opportunity to complete one at school in April. This information is reviewed by stakeholders, teachers, and staff to help us plan for the new school year. Thank you in advance!

Sincerely,
Cheryl Turner
Principal and Administrator

Each year we look to recognize a person who gives to our school above and beyond expectations. Do you have a person at our school who should be nominated for our Volunteer of the Year? If so, please let our PTO Board know by sending a note to the office or through our email at pto@educationalhorizons.net

Beginning next week our students in grades 3-6 will take their state assessments. The goal is measure student growth and guide instruction. Please have your student wear uniforms, be rested, have a good breakfast, and ready to attend to the task. Tests will be given in the mornings if possible. The entire school is asked to be respectful during these times. We want each and every student to do his/her best. Our school says FSA stands for *Florida Students are Awesome!* Let's show them our talent and what we have learned this year. Thank you in advance for supporting our students. Make ups will be scheduled as needed.

Reading for grade 3 – April 5 and 6	Writing for grades 4, 5, 6 - April 7

Teacher and Staff Appreciation Week (April 18-22)

Although National appreciation week is in May (during state testing) we would like to have a week of celebration for the teachers, staff, and assistants at our school in April. Join in the fun by following the events for each day. Thank you teachers and staff for your efforts and being here for our children!

Monday – Begin the week with coffee, coffee, coffee.. – send in supplies for the office (pods, cups, creamer) to share with the whole crew and maybe even a little coffee gift card for your individual teacher

Tuesday- Stock the lounge with fun goodies for the week! Think nutrition... but a little fun too. Send in items to be shared in the teacher lounges or a little something individually

Wednesday- Spring time is here! Send in an individual flower to make an arrangement for the classroom. They will have a vase ready to receive the “blooming fun”

Thursday- Useful Day – Who doesn’t like a new pen or fresh office supplies? - Your students know what they use daily...(thermal sheets, note pads, glue sticks, stickers, pens, sharpened pencils,)

Friday- Be creative! Thank our special people at school in any way you want!

Join us for our next meeting on April 12th at 6:00. It will be a virtual meeting.

Plans for the End of Year Celebration and 6th grade Graduation will be discussed. We are excited to end the school year with activities (if possible) in May. Join us to be a part of the planning. Jog-a-thon will be held on March 31st – please sponsor a child and send in pledges by April 20th. Thank you in advance for participating! Our results of the PTO survey and minutes from the last meeting are attached to the monthly email. Thank you everyone on behalf of the PTO! We look forward to seeing you at the meeting. Families who are not on track to earn their ten volunteer hours will get an email or letter from the school this month reminding them of the commitment.

Our School Yearbook is at the publisher and will be ready for delivery in May. With a slow pre-sale, we scaled back on the order. If you would like one, you can go online to order (Commpe.pictavo.com School #700502) or send in \$25.00 to the office - while supplies last.

School and Offices will be closed on Friday, April 15th

Registration packets went home for grades K-6. Please return with all pieces complete and accurate as we build and plan for the new school year. We look forward to our returning students and welcoming some new kindergarten faces. If you have any questions, please contact Eileen in the office.

Take some time to walk outside with your family and enjoy nature. Maria Montessori said, “When children come in contact with nature, they reveal their strength.”
