November 2022 Newsletter

Dear Families,

November is a month in which we give thanks and gratitude. A Montessori school focuses on grace on a daily basis. Our school motto is “Grace and Courtesy” and we truly believe it is as important as our academics. We use proper etiquette at lunch and wait for everyone to be served before eating. In practical life areas of the classroom we focus on housekeeping, washing, cleaning, and taking care of our school environment. We teach children to welcome others, say hello and goodbye, and take turns in discussions. We teach how to politely getting someone’s attention and how to give and receive a compliment. With the week of Thanksgiving, these same ideals can be modeled, taught, and expected at home. Include your children in place setting, making meals, cleaning up, and dinner etiquette. Allow them to help with tasks at home during the week as you prepare. You can focus on gratitude by sharing what you are grateful for with your family. Begin a gratitude jar for the season and add notes daily. Don’t forget to take time to read and reflect on them.

Wishing you a month of Thanksgiving and blessings.

Sincerely,
Mrs. Turner
Principal

VPK, Preschool and Kindergarten Families

Parent participation night is **November 17th** at two time slots. This is an opportunity for you to work with your child in the classroom. ONE adult will come (no siblings) and your child will lead you through an activity or two. Please put cameras and cell phones away to focus on the work. We will have a second opportunity in the Spring for an addition adult to join. If your last name begins with **A-M your time is 6:00 to 6:25**. If you last name begins with **N-Z your time is 6:30 to 6:55**. You will enjoy having your child teach YOU a lesson that they do in the classroom. This is a wonderful chance to see your child "teach a lesson" and show you the routines of a Montessori classroom.

Join us for our next PTO meeting. It is open to families from both EHCS and CDAY. Focus is **Montessori in the Classroom. Come see demonstrations in the classrooms!!!** Time: **Nov 8, 2022 6:30 PM** See the attached minutes from the October meeting. Please follow this PowerPoint
