Dear Families,

The staff and I want to thank you for an awesome week of appreciation and fun. I believe this is the most dedicated group of people you will ever have working with your children. It is nice to stop and say, "Thank you!"

We would like to congratulate Martha Williams (Mother to Wesly in Kindergarten) as our Volunteer of the Year. She is a kind person who has been a blessing to our school this year.

We are getting closer to the end of the year! Our students will still have high stakes testing in May, be aware of the schedule and have them here on time and rested.

There are many events and activities planned as we close the school year. You will not want to miss any of them. Mark your calendars as the month will fly by!

Our final governing board meeting is scheduled for June 15th @ 3:30pm, as the board will plan for the new school year.

Sincerely,

Cheryl Turner

Principal and Administrator

Please see the BPS flier for Summer enrichment. This is free to students and spaces will fill up quickly. With this opportunity, **we will not** be doing a summer camp here as we have in the past.

Health and Wellness Day Monday May 22nd

We are so excited to be able to participate in our annual day of looking for healthy choices for the summer. On this day we will meet as a whole school (grades K-6) and visit different stations outside that promote a prosperous summer. Dress down for movement and don't forget to apply sunscreen, wear a hat, bring a water bottle, and maybe sunglasses. Students will be outside most of the day. Each student will leave with a bag of information from the many people we had lead the day. If you have a person who want to donate their time to our event, please contact Mrs. Turner. Our events can include Yoga, Martial arts, water safety, bike safety, etc. We will need many volunteers that day to help out. We are also looking for Frozen Juice bars as an afternoon treat. Please let us know if you are able to donate these so we can get a good count. Our school does not have room to keep them so send them in on the day of the event. This will be our last FULL day of school and sure to be a highlight of the year.
